Field Record of Previous Burials

These sheets to be used on the grounds to secure data which will be copied permanently in Cemetery Lot Record.

NOTE: Each small square represents a square foot of lot surface. For convenience each tenth foot is indicated by a heavy line. To make a record of previous burials, and other data as to ownership secured from deed record. These blanks will then be taken to the cemetery and a record will be made from the plat and the owner's name buried and location of grave on lot. A number corresponding to have must be placed on plat to identify grave.
