Dear City of Shenandoah Cemetery Dept.:

The purpose of this letter is to give permission to my sister, Phyllis Jean (Swanson) Richardson, who passed away on September 5, 2017, to be buried on top of our parents grave (Matilda and Alfred Swanson).

Phyllis was cremated and the cremains are to be placed on top of our mother, Matilda. As the oldest living sibling, I want to make sure that her wishes are fulfilled. I hereby give permission with my signature below to carry out her wishes. Thank you for your consideration.

Sincerely,

James R Swanson
