The Beginning

The Time has come to say goodbye.

Such sadness here I see.

You'd think my life has ended,
but it's just begun for me.

I know that you will miss me,
but please don't be so sad.

If you but knew what I know now,
for me you'd be quite glad.

Angels are surrounding me
awaiting your goodbyes.

My spirit then will follow them
to Heavens waiting skies.

Loved ones who have gone before
are anxious as they wait
for me to leave you for a time,
and meet at heaven's gate.

My spirit is alive and well.

Death is not an ending,
but a joyful transformation
to a beautiful beginning.

On behalf of the Thuman family, we thank you for the love you have shown them by your presence at the visitation and funeral ceremonies. At this time of grief, it is important for families to be reassured that people care about them. There is great value in your support. Carris Family Funeral Home & Cremation Care
