

Alberta Marie Wendt Oct. 15, 1923-April 22, 2019. It is with great sadness that the family of Alberta Wendt (nee Bickett) announces her passing on April 22, 2019 in St. Louis, MO. She was 95 years old. Alberta will be remembered as a caring and loving mother, grandmother, and great-grandmother. She devoted her life to taking care of all of us and in the last 5 years of her life we took care of her. She will be forever missed. She is survived by her daughter Denise Jones, her granddaughters Lisa (Ray) Jorn, Kimberly (late Chad) Hendrix, and Kristin O'Gowan. Her great-grandchildren Kyle (Alexa) Hendrix, Austin Jorn, and Kayla Hendrix. Alberta was preceded in death by her parents, four siblings, and daughter Sharon Kay Allely. Alberta's wishes were to be cremated. A private burial will take place at a later date in Shenandoah, Iowa. We would like to thank Mercy Hospital and Autumn View Gardens Assisted Living in St. Louis, MO for the great care she received.
