I'm Free

*Don't grieve for me, for now I'm free
I'm following the path God laid for me.*

I took his hand when I heard him call

I turned my back and left it all.

*I could not stay another day
to laugh, to love, to work or play.*

Tasks undone must stay that way.

I found that peace at close of day.

*If my parting has left a void
then fill it with remembered joy.*

*A friendship shared, a laugh, a kiss,
ah, yes, these things I too will miss.*

Be not burdened with times of sorrow

I wish you the sunshine of tomorrow.

My life's been full, I've savored much,

good friends, good times,

a loved one's touch.

*Perhaps my time seemed all too brief,
Don't lengthen it now with undue grief.*

Lift up your hearts and share with me

God wanted me now:

He set me free.
