*Adi's Poem*

I'm sitting in the bus stop to come see you again  
I think of how much I love you and grin  
You consume my mind  
My thoughts are kind  
Your father is not here  
But his thoughts for you are near  
God is carrying me now  
His grace is showing me how  
To be your strength  
To be your voice  
To be everything you need  
Adilynne you mean so much to me.
