Field Record of Previous Burials

FORM 35-7

MATT PARROTT & SONS CO., WATERLOO, IOWA 52242

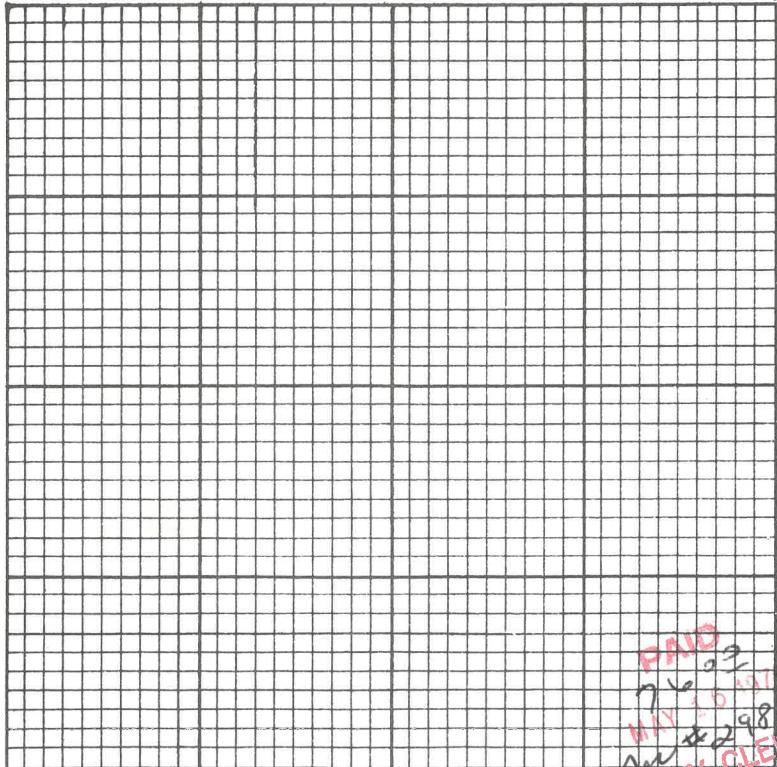

These sheets to be used on the grounds to secure data which will be copied permanently in Cemetery Lot Record.

NOTE: Each small square represents a square foot of lot surface. For convenience each tenth foot is indicated by a heavy line. To make a record of previous burials, draw a diagram, with pencil, of each lot, beginning with Lot No. 1, and use a separate sheet for each lot. This can be done in the office from the plat and the owner's name and other data as to ownership secured from deed record. These blanks will then be taken to the cemetery and a record will be made from the lots, of the names of those buried and location of grave on lot. A number corresponding to name must be placed on plat to identify grave.

Enclosed find receipt for grave opening (\$80.00) for Dorothy Waldron.

Due to placement of burials some years ago there was not room left on the Nate Waldron lot. Apparently, Mr. Dobbs (Sexton) did not tell you there was \$76.00 due for the purchase of grave space.

Enclosed please find the check for \$76.00 for Dorothy Waldron's burial space.

Also the burial report document. We have delayed in sending this in anticipation of receiving the burial transit permit from Fremont Co. After a telephone call to Dr. Rodebaugh of Tabor, he claims we has never received our death certificate mailed to him approximately April 30th. As a result we have again mailed a death certificate to the good doctor requesting that he complete it and forward it on to the Co. Clerk of Court and requesting them to send us a burial permit and certifications. Upon receipt of the burial permit we will forward same to you.
